

Fund Fees

The Community Foundation of Anne Arundel County (CFAAC) assesses a fee to help defray the costs associated with the administration of a fund. Administration fees cover fund management, such as due diligence procedures, the receipt and acknowledgment of contributions, processing and payment of grants, and compliance with federal and state reporting requirements. Fees also support online fund access through *FundManager* and most of CFAAC’s extensive donor services designed to enhance advisors’ giving and philanthropic experience.

Additional terms may be set for some funds, such as those requiring additional or special services.

All funds are subject to a minimum annual fee of \$150.

New funds are assessed a set-up fee of \$250.

Each fund is subject to its share of Mason Investment Advisory Services investment management fee, which is between 0.25 - 0.50%.

CFAAC reserves the right to increase or decrease fees from time to time and will notify the Fund Advisor of any changes affecting the Fund.

Funds may accept credit card donations online via CFAAC's website. All gifts are subject to the transactional fee charged by the financial institution.
